**Sick leave**

I urgently needed a few days off work, but I knew the Boss would not allow me to take a leave. I thought that maybe if I acted 'CRAZY' then he would tell me to take a few days off. So I hung upside down on the ceiling and made funny noises. My co-worker (who's blonde) asked me what I was doing. I told her that I was pretending to be a light bulb so that the Boss would think I was 'CRAZY' and give me a few days off. A few minutes later the Boss came into the office and asked 'What are you doing?' I told him I was a light bulb. He said, 'You are clearly stressed out. Go home and recuperate for a couple of days.' I jumped down and walked out of the office. When my co-worker (the blonde) followed me, the Boss asked her '...And where do you think you're going?' She said, 'I'm going home too, I can't work in the dark.'
