### INNER PEACE

I am passing this on to you because it definitely worked for me, we could all do with a little calm.

By following the simple advice I read in an article, I have finally found inner peace. The article read:

**"The way to achieve inner peace is to finish off all the things you have started".**

So I looked round the house to see all the things I had started and hadn't finished. And before leaving the house this morning I finished of a crate of Stella Artois, a bottle of red wine, the Baileys, three Bacardi Breezers, the Jack Daniels, the Prozac, some Valium, some cheesecake and a tin of celebrations. You have no idea how bl\*\*dy good I feel.
